

# Get to know the Spotted Tree Frog

The Spotted Tree Frog lives in freshwater streams in alpine **Victoria and New South Wales.**

It has disappeared from over 50% of its known sites and is **Critically Endangered.**

Zoo breeding programs are in place to release juvenile frogs into their alpine habitat, and **you can help!**

**You buy a bag, we breed and release frogs to the wild. Together we help a species.**

Every exclusive tote bag sold will help fund releases of zoo-bred Spotted Tree Frogs to freshwater stream habitat in Victoria.

**Purchase in-store today. Learn more: [zoo.org.au/totes](https://zoo.org.au/totes)**
